**DAVE MATTHEWS BAND,  
THE TOP TOURING ACT OF THE DECADE,  
ANNOUNCES EXTENSIVE SUMMER OUTING  
TICKETS ARE ON SALE NOW**

**Dave Matthews Band** will launch an extensive North American summer tour that will include a stop at Huntington Park in Columbus on June 22.

The group's Platinum-certified 2009 album, *Big Whiskey and the GrooGrux King* (RCA), was nominated for two GRAMMY awards – “Album Of The Year” and “Best Rock Album.”

Hailed as “their most electric album yet” (*Rolling Stone*, \*\*\*\*) and “spiritual and spirited” (*People*, “Critic’s Choice”), *Big Whiskey* features some of the last studio recordings of founding member/saxophonist LeRoi Moore, who passed away in August of 2008. The group toured throughout 2009 in support of the album, delivering some of the most emotional, powerful performances of its career, as captured in the box set *Europe 2009*. Designed as a companion to *Big Whiskey*, the collection includes *Dave Matthews Band: Live from Lucca*, a set of three CDs from the group’s July 5, 2009 show in Lucca, Italy, and *Across the Pond*, a DVD from its June 26, 2009 show at O2 Academy Brixton in London, England – all housed in an exclusive photo book chronicling the group’s 2009 tour. The upcoming *Live In Las Vegas* features Dave Matthews and Tim Reynolds’ first-ever live acoustic interpretations of tracks from *Big Whiskey* plus selected songs from previous **Dave Matthews Band** albums and material from each artist’s solo career. Due out February 9<sup>th</sup>, the two-disc collection was recorded at the Theater for the Performing Arts at Planet Hollywood Resort & Casino in Las Vegas, NV on December 12, 2009.

Renowned for its live performances, **Dave Matthews Band** has sold over 17 million tickets throughout its career. The group was recently named the top-selling touring artist of the decade by *Billboard* and *Pollstar* - <http://www.pollstarpro.com/files/TopTourOfTheDecade.pdf> “The sold-out show...bore all the electricity and fervor of

an extra-inning ballgame,” said *The Boston Globe*, covering the kick-off of last summer’s tour at historic Fenway Park. “In his lyrics and a voice that’s both robust and melancholy, Mr. Matthews ponders the gap between public problems and personal pleasures...Yet the band rarely broods for long; the music stays brisk and upbeat,” said *The New York Times* while *The Cincinnati Enquirer* observed: “Concertgoers were dancing in the rain Tuesday night while the Dave Matthews Band rocked out...Few bands have had such tremendous turnout year after year at Riverbend and it’s easy to understand why. Matthews and company are nothing if not great entertainers and their music spans genres from rock to folk to alternative.”

**Dave Matthews Band** – comprising Carter Beauford (drums), Stefan Lessard (bass), Dave Matthews (vocals, guitar) and Boyd Tinsley (violin) – has sold a collective 37 million CDs and DVDs combined. With ***Big Whiskey’s*** debut at No. 1 on The *Billboard* 200 in June of 2009, **Dave Matthews Band** became one of only two groups in chart history to have five consecutive studio albums enter atop the chart. ***Big Whiskey*** was among the Top 5 best-selling albums on iTunes in 2009.
